# Rock bands

When students have reached a certain level on their instrument, they are invited to join rock band.

## Rehearsals

Students play and rehearse together for 30 mins.

It is an expectation that students who are part of the rock bands will attend rehearsals for the year and perform at events as required.

## Performances

Each year, our rock bands will have the opportunity to perform.

## Instruments

It's expected that students have their own instruments. Students who play guitar & bass are expected to bring their instruments to rock band rehearsal. A drumkit and keyboard will be supplied for drummers & pianists.

# Clubs

**Ukulele & Guitar club** are designed for beginner to intermediate students. It's a fun way to learn the foundations of music in a group context.

Sessions go for 45 mins and are run by 2 teachers.

# Instrument Purchase/ Required Items

Depending on the lesson type or instrument your child is learning, you will need to purchase your child an instrument to learn on.

Piano & drum students will not be required to bring their instruments to school however they will need something to learn on at home.

Guitar & ukulele students will be required to bring their instruments to school.

We can guide you through this process if you need assistance in finding a suitable instrument.

Please find our list of required items [HERE](#)

# Expectations & Commitment from students & parents

Upon acceptance, students and families form a partnership with Ready Set Rock, involving shared responsibilities:

## **Student Responsibilities Include:**

1. Knowing lesson times each week. Staying informed about lesson schedules is vital for a seamless learning experience. Teachers collect students from lessons.
2. Bringing all equipment to each lesson (instrument, book, etc.)
3. Caring for the instrument and keeping it safe (respect property): Instilling a sense of respect for musical instruments fosters a positive learning environment.
4. Notifying the teacher if a guitar or string needs replacing so that they can assist. Please get in contact prior to a lesson and we can recommend which strings to buy

## **Student Expectations Include:**

1. Punctually attending lessons: Regular attendance is key to developing skills and progress.
2. Commitment to showcasing progress through performances is an integral part of the program.
3. Committing to the program for a minimum of a full school term: Consistency is essential for optimal musical development.
4. Regular home practice (Minimum 3-4 times per week): Building a habit of consistent practice enhances skill development.

## **Parent/Carer Expectations Include:**

1. Providing the student with his/her own instrument where possible
2. Providing a suitable practice area and time for the student
3. Providing encouragement and positive reinforcement of the student's progress
4. Parental support is a crucial motivator for a student's musical journey.
5. Assisting the student to meet his/her responsibilities: Collaborative efforts ensure a smooth and enriching experience for the student.

## **Leaving the Instrumental Music Program:**

Parents/Carers wishing to withdraw their child from the program are kindly requested to contact Ready Set Rock. Please note that no refunds will be provided for mid-term withdrawals.

## **Suspension and Exclusion from the Instrumental Music Program:**

Participation in the Instrumental Music Program is a privilege, and Ready Set Rock reserves the right to exclude any student under circumstances that affect their own or their peers' learning. Exclusion may also occur if music fees are not up to date. Exclusion will only be considered after all other avenues to resolve the circumstances have been unsuccessful.

# Strategies for parents to encourage students to practice outside of lessons

At Ready Set Rock, we believe in fostering not only practice but also a spirit of playfulness when it comes to learning an instrument. This encouragement is relevant for beginners embarking on their musical journey as well as for seasoned students continuing through Year 6 and beyond.

Playing an instrument behind closed doors can sometimes feel solitary. A touch of encouragement can make a significant difference, enhancing the joy and achievement derived from the musical experience. Consider the following ideas to create a supportive musical environment at home:

1. Actively listen to your child practice: Engage in their musical world by actively listening to their practice sessions.
2. Make a comment about the progress you notice: Acknowledge their efforts and celebrate the milestones, providing positive reinforcement.
3. Show pride in their achievements and let them overhear you talking about them: Share your pride in their musical accomplishments, boosting their confidence.
4. Ask them to play for guests at home: Encourage them to share their musical talents with family and friends, fostering a sense of pride in their abilities.
5. Notice difficult sections and ask how they are played: Demonstrate interest in their learning process by discussing challenging sections and offering support.
6. Set a practice routine: Establishing a consistent practice routine helps create a sense of discipline and commitment to musical growth.

Remember, your child's Instrumental Music Educator is a valuable resource for practice strategies and tips. Feel free to reach out for guidance and support on optimising your child's musical journey.

Together, let's create an environment where musical play and practice harmoniously contribute to their growth and enjoyment
